# YOU can make a difference in Haiti

## Peanut Butter Drive

A constant need is finding a way to feed the poor, sick, elderly, and homeless of the village.

Malnutrition is a big problem in Haiti. During the medical mission, we saw many underweight babies and children. Many had red hair and swollen bellies, a sign of protein and calorie deficiency.

HBHH has shipped food to Haiti to help with these problems. In May, Fr. Medenel was able to distribute food to all those in need. But more is always needed.

We will be collecting peanut butter to ship to Haiti on our next container that will leave in late September. Please let us know if you can help. (Expiration dates must be after 2/07)

HBHH also took boxes of rosary making supplies to teach the Sisters and teachers how to make rosaries. This knowledge will be passed on to the
