## HBHH Dreams

### SELF SUFFICIENCY

- Create jobs and job programs
- Implement agriculture, animal and fish farms
- Start local wholesale market

### EDUCATION

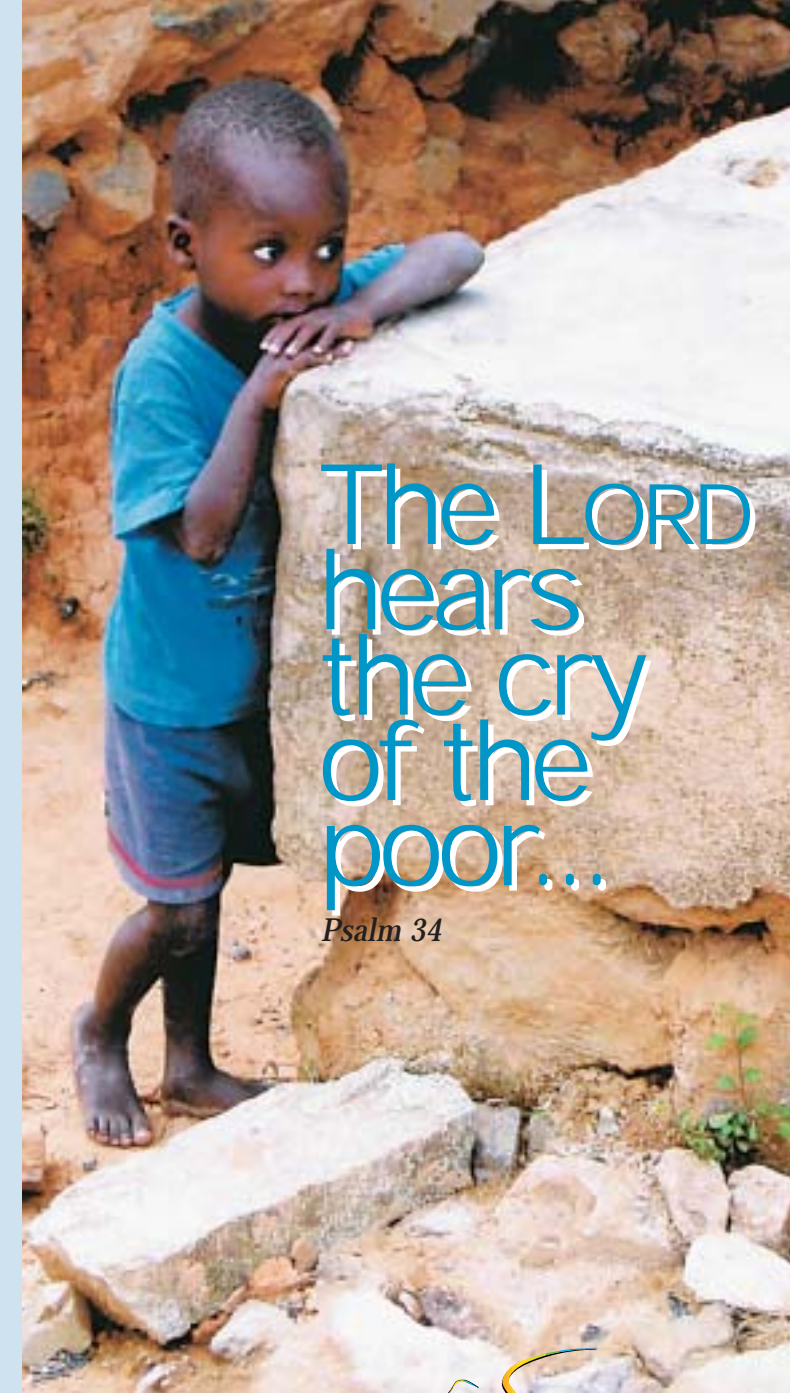

- Bring 21st century technology to Haitian students with computers and software
- Continue to create new schools
- Underwrite teachers in training for future needs
- Refurbish older classrooms and school facilities
- Provide English instruction

### MEDICAL

- Underwrite medical doctor and nursing students' tuition for future needs
- Furnish lab to do medical testing
- Hire lab technician to do testing at clinic
- Provide solar and generator power for clinic
- Furnish clinic with modern medical equipment

### COMMUNITY

- Install satellite system to bring Internet and phone service to village
- Build Community Center to house computer lab, meeting rooms and youth center
- Provide solar and generator power for Community Center
- Build orphanage and elderly centers
- Provide diesel vehicles for transporting people and supplies
- Provide reservoirs to supplement water supplies

The LORD  
hears  
the cry  
of the  
poor...

# Who we are

Help Brings Hope for Haiti, Inc. (HBHH) is a not for profit 501(c)(3) organization whose mission is to bring hope and God's love to the people of Haiti.

From its start in September 2003 providing scholarship programs in Port-au-Prince, HBHH has blossomed into an organization of volunteers who have donated time, energy, and resources dedicated to the needs of the Haitian people.

HBHH works directly with Bishop Chibly Langlois, the Catholic Bishop of the Fort-Liberté Diocese du Nord-Est in Haiti, and Father Desinord Jean, the catalyst of HBHH, who is in charge of all Catholic Radio Stations in Haiti.

In line with our desire that every dollar possible goes to those in need, HBHH keeps administrative costs to less than 5% of donated funds.

# What we do

## HOPE THROUGH EDUCATION

- Sponsoring students' tuitions
- Underwriting teachers' salaries
- Constructing new school
- Refurbishing existing school
- Furnishing both new and existing classrooms
- Providing playground equipment for schools
- Supplementing school supplies for schools

## HOPE THROUGH MEDICAL CARE

- Sponsoring medical missions
- Distributing medicines and supplies to local hospital
- Upgrading village clinic
- Underwriting doctor's salary at clinic
- Restocking pharmacy
- Supplying hospital beds, diagnostic equipment, and medical supplies

*Good medical care provides health, replaces voodoo medicine, and brings HOPE.*

*Education defeats fear, replaces ignorance, and brings HOPE.*

## HOPE THROUGH COMMUNITY BUILDING

- Feeding the poor and elderly
- Providing wells for drinking water
- Providing jobs through local improvement programs
- Distributing Bibles and rosaries

*Volunteers provide much appreciated medical help for little ones. Faces of the elderly reveal sadness from a life of deprivation.*

*The community chips in to help paint the school buildings; children carry new supplies back to their homes; water buckets are filled from the newly dug wells.*

*Community building brings self sufficiency, conquers poverty, and brings HOPE.*
