Worthy President Gary Spinelli, Dr Nicholas Toro, Hajo Huelss, Dennis Sabo

On April 11, 2010 Suncoast Aerie 3153 held a benefit "People Helping People for Haitian Relief". The thought for this effort did not come from our officers or our trustees but rather from one of our newest members, who happened to see a story on a news program and thought, there's something I can do as an Eagle. We want to thank Hajo Huelss for speaking up and stepping forward. On May 10, 2010 Dr Nicholas Toro, who is a staff member of James Haley Veterans Hospital in Tampa, FL and a representative from "Help Brings Hope For Haiti" accepts the check for \$1000.00 that was raised at the benefit from Worthy President Gary Spinelli and Committee Chairman Dennis Sabo.

We all at Suncoast Aerie 3153 hope this will help in some small way.
